

ACTIVITIES, VIDEOS AND PRAYERS

GENERAL

Life at home can be fun, especially when we let Jesus be a part of our day.

Have craft activities waiting for a fun activity afterwards.

(and throughout the 2nd Week of Easter!)

Jesus breathed on the disciples and said, "Receive the Holy Spirit". As we cover our mouths and fear the breath of others, we need never fear Jesus' loving breath of the Holy Spirit. The children can celebrate their gift of the breath of life, the Holy Spirit in many ways:

- **Blow bubbles.** See how the breath of the Holy Spirit expands and lightens. Bubble mixture can be found in the party section of Countdown, or you can make your own out of detergent and water. Experiment to get the right consistency. A twisty wire can become a bubble-blower.
- **Blow up balloons**
Play a memory game. One person juggles the balloons while the others recite a phrase from the Gospel!
- **Paint a blow-picture** use straws to blow paint into beautiful colourful patterns. This can become a card for someone at home, or wrapping paper for a special present. Someone here put a cardboard cutout of a holy spirit in the middle first.
- **Serious Play**
Catholic Icing has a wonderful set of ideas for bringing the Gospel alive for children. I love her resurrection set of peg-dolls. Download your set here:
<https://www.catholicicing.com/resurrection-set/>
- **Go for a walk in the wind.** Watch how the wind tosses the trees, the Holy Spirit cannot be seen, but can see it's effects.
- **Make a Rosary** together and pray the Divine Mercy Chaplet.

ST FAUSTINA

The Divine Mercy Chaplet is prayed at 3pm on Divine Mercy Sunday. Here is a little about St Faustina and the Divine Mercy Chaplet.
